ABOUT US

Kaycee Industries Ltd is a pre-independence incorporated company with a legacy of over 84 years, and is presently a subsidiary of Salzer Electronics Ltd. Headquartered in Mumbai, Kaycee is a listed company and a leading manufacturer of electrical products and customized switching solutions.

Established in 1942, Kaycee is proudly recognized as the first Indian manufacturer of Rotary Switches. Over the decades, the company has built a strong reputation for consistent quality, reliability, and continuous product innovation, catering to evolving market and customer requirements.

Kaycee serves a wide range of industry segments including the Power sector, Panel Builders, Machine Tool Manufacturers, Telecom, Renewables, Infrastructure and other general industrial applications. The company is widely acknowledged for setting industry benchmarks, with standards that are followed by others.

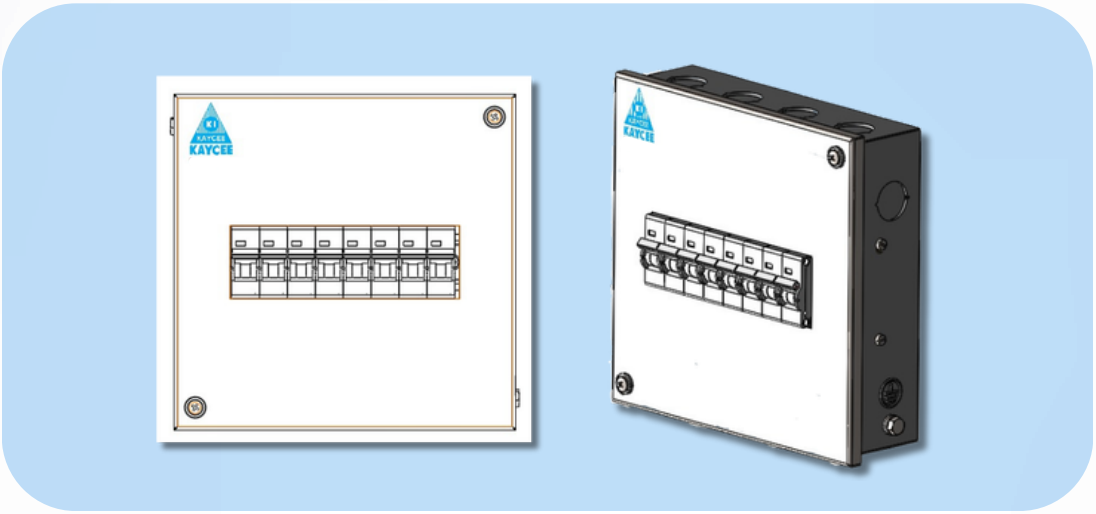

Since inception, Kaycee's core strength has been its ability to deliver tailor-made solutions backed by engineering expertise, robust manufacturing capabilities, and a customer-centric approach—making it a trusted partner across diverse industrial & domestic applications.
